A vibrant, cartoon-style illustration of a spring landscape. In the foreground, two yellow chicks are on a green hill; one is holding a large, striped Easter egg. A grey rabbit is also on the hill, holding a polka-dot egg. Scattered around are various colorful Easter eggs with different patterns like stripes, polka dots, and zig-zags. In the background, there are rolling green hills, a blue sky with light clouds, a green tree with a yellow egg hanging from a branch, and a purple flower. A large, stylized yellow chick is hatching from a blue and orange patterned eggshell in the center. A pink thought bubble with the text 'A movie sounds fun!' is next to it. Lines connect the movie options to the thought bubble.
