When a student is placed on Academic Suspension, they must complete an Academic Appeal/Petition Form to be reviewed by the Progressive Academic Student Success(PASS) Committee. Students must complete this appeal form in the following circumstances:

- The student has already stopped-out the required amount of time following suspension (one semester for the first suspension or granted an appeal to return without the stop-out semester, one calendar year for the second suspension, and two calendar years for the third and subsequent suspensions).
- The student is being placed on academic suspension even though they have made significant academic progress because they have not met the 67% completion rate and would like to have the academic suspension status waived for the upcoming semester.
- The student has been placed on academic suspension, but there are extenuating circumstances that impeded their academic performance and they would like to request the suspension be waived for the upcoming semester in order for them to demonstrate improved performance.

Students must submit the completed form to the Registrar at least two weeks prior to the beginning of each semester. The PASS committee will be meeting only once per month at which time all appeals will be reviewed. Students will receive written notification of the appeal decision from the Registrar after the PASS Committee has made recommendations and the Vice President of Academic Affairs has approved or amended those recommendations.
